CAMPBELLSVILLE COLLEGE

CAMPBELLSVILLE, KY.

"But, Sir, I must have that course THIS semester!"

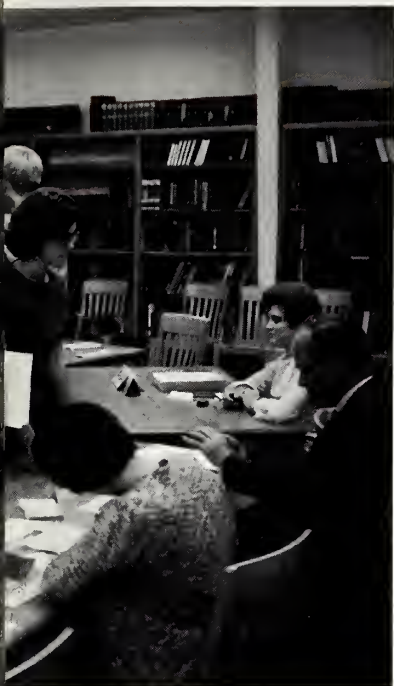

It takes an act of congress to get through  
REGISTRATION.

Work on the "co-op program?"

"Okay Officer, frisk 'em!"

"Yes, John, there really is a Santa Claus."

First and lasting impressions

an upper classman.

Famous last words . . . "No social life on this campus!"

What's this about not wanting to go to class?

Would you believe . . . he's underfed?

"Now class, for our first  
assignment . . . "

All in favor of longer weekends?

"Yes, I'm trying to see your point, BUT . . ."

Even the "pres" has his moments of glory!

SUE PURDUE: "You gotta' be kidding me!"

LONNIE MORRIS: "What do you mean 'somebody stole' my battery?"

That warm, close feeling!

JOAN MILBY: "Who says freshmen don't have fun?"

Dr. Horner enjoys assisting Mrs. Horner in the kitchen of their lovely home at 101 Underwood Street. Mrs. Horner concedes that he is quite a good cook. Spaghetti is one of his specialties.

## Most Popular Professor

Dr. Paul Horner, Bible Professor and Director of Promotion, has been chosen by the students as the college's most popular professor. A native of Shelby County, Ky., Dr. Horner earned his A.B. degree from Georgetown College and his Th.M. and Th.D. degrees from Southern Baptist Theological Seminary with majors in New Testament and Greek.

Dr. Horner came to the college in 1951. He has also served as Director of Extension and Acting Dean.

Dr. Horner has held pastorates in Kentucky and Mississippi, including the First Baptist Churches of Lawrenceburg, Simpson-

ville, and Switzer, Ky., and Fifteenth Ave. Baptist Church of Meridian, Miss. Also, he has served several rural churches of our area since coming to the college.

Active in civic and community life, Dr. Horner has served on the City Council and once as Mayor-Pro-Tem of Campbellsville. He is a popular preacher and speaker before youth assemblies and for baccalaureate and commencement services. The author of numerous articles for religious publication, he is presently preparing a textbook for his Religion In Life course.

To become the most

popular professor, one must exemplify ability, knowledge, character, enthusiasm, and preparation. Also Dr. Horner is a wise and sympathetic counselor to the many troubled students who seek his help.

Above: Dr. Horner prepares to depart on one of his frequent promotional trips for the college.

Below: Dr. and Mrs. Horner study maps and make plans for their tour of the Holy Land this summer. This will be the fulfillment of a lifelong ambition.

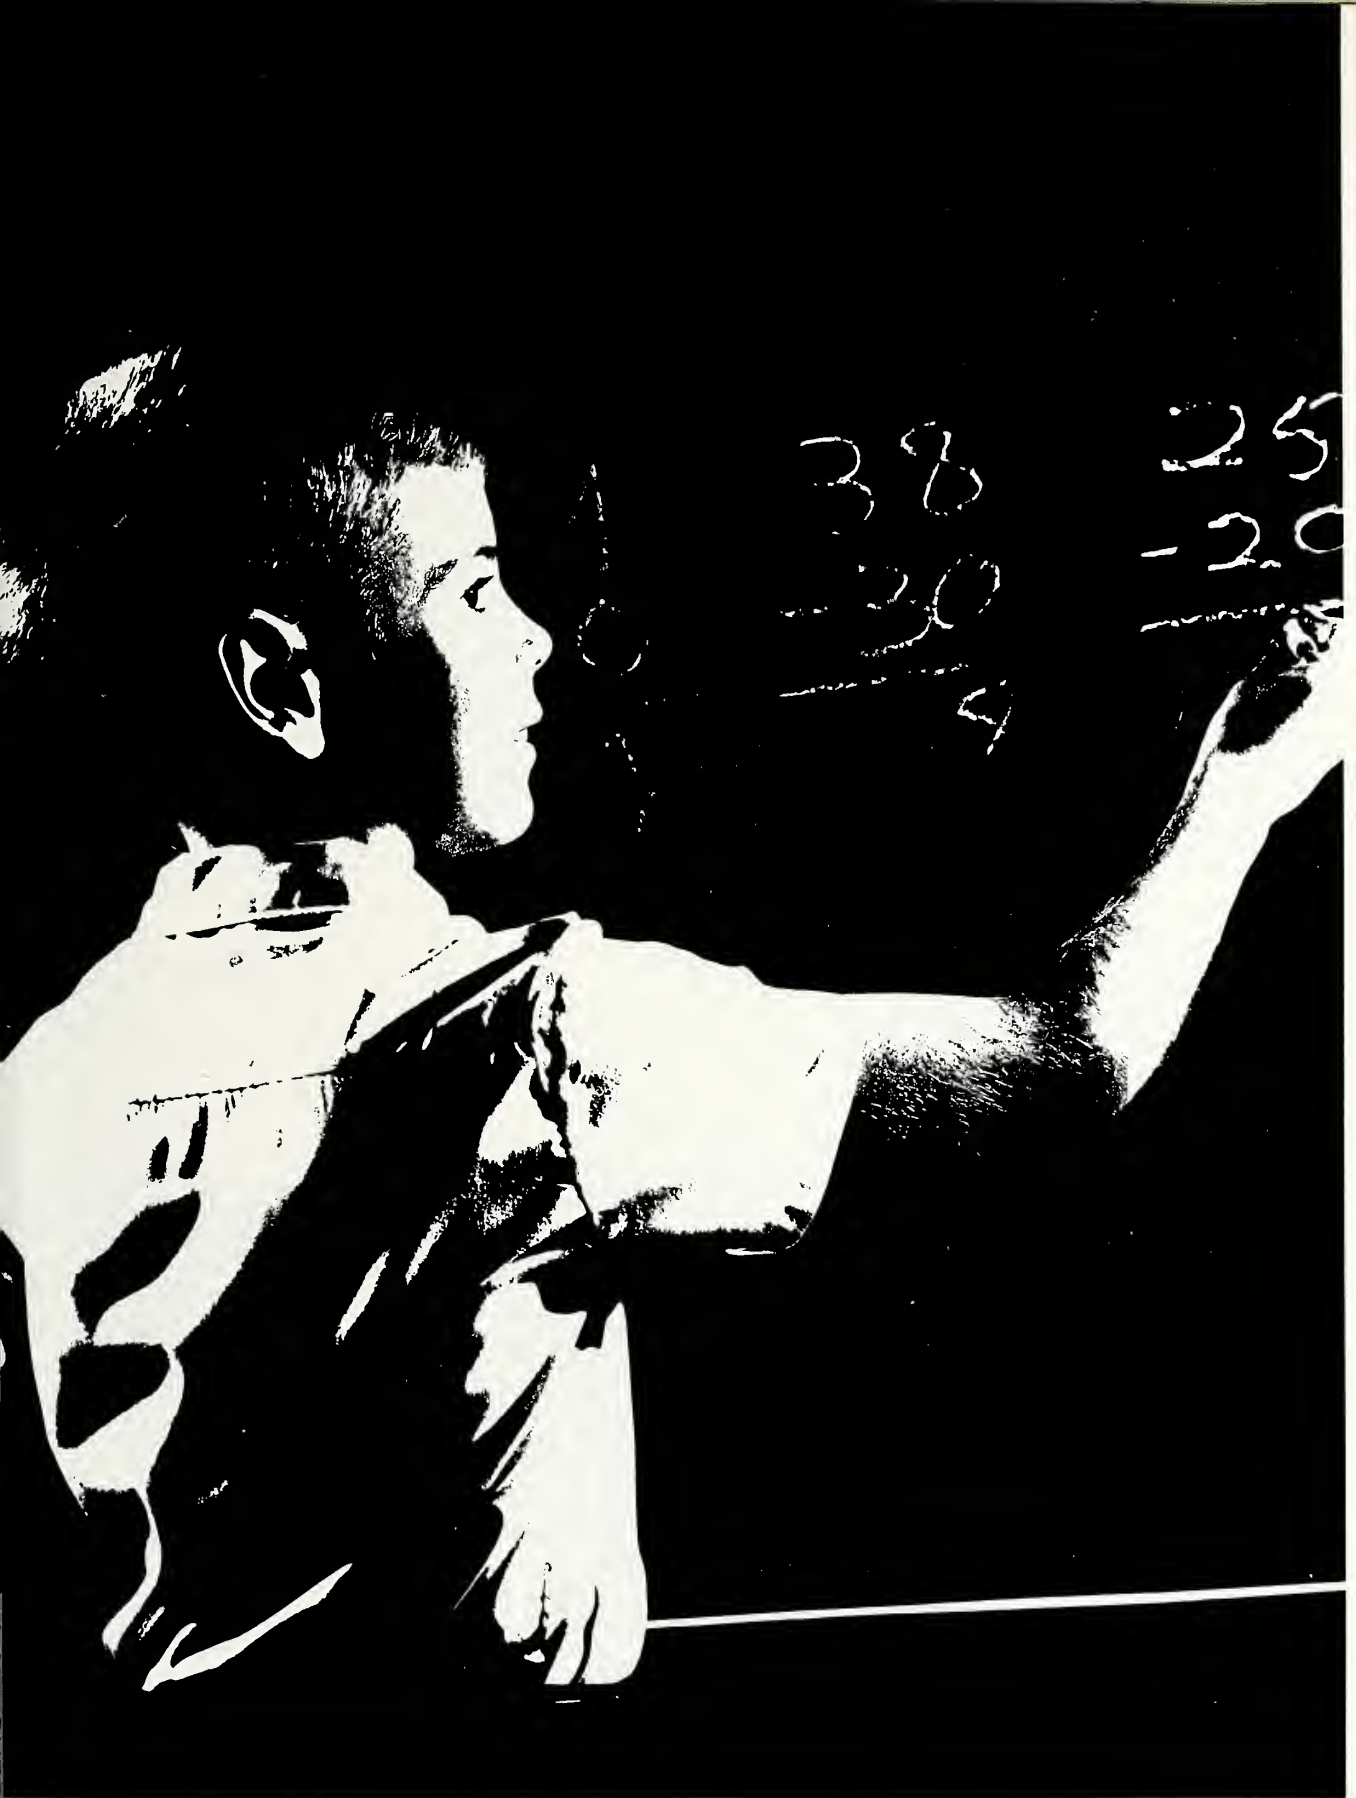

His hobbies are sports and gardening. At Georgetown he made the varsity in baseball and tennis.

His lovely, dedicated wife is the former Lillian Aileen Porter. They have one son Steve, who teaches at the Lebanon Junior High School.

Maple Trail salutes this great man!

*ALBUM*

# M A R R I E D S t u

The well-known Nichols family, Mary, Charlie and Anetha, have done their share in improving our campus during their stay at Campbellsville.

Did you know that 253 of our students are married? Most of these, of course, live off-campus. In fact, 49% of our total student body are "drive-in" students. In many instances both husband and wife are students here at college.

Mr. and Mrs. Merle Thronton and son Wayne take time out from studies for some family recreation.

The married students of our college play an important role but are seldom in the limelight. This year the Maple Trail would like to salute a few of these students and their families and say "Thank You" for their contributions.

One of the newer married couples is Mr. and Mrs. Maurice Coppock, whose only family addition so far has been a dachshund!

dents

Marvin and Patricia Goodin realize that time spent with their lovely children is time well spent.

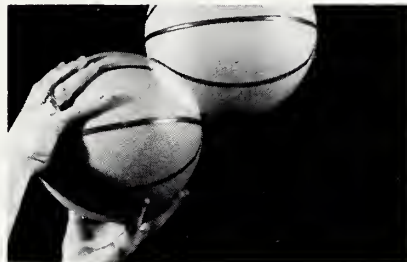

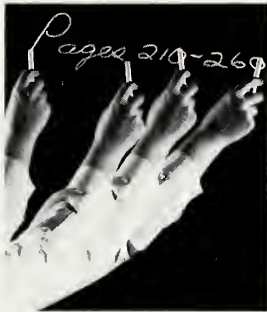

Betty and Ronnie Hord take time out from their busy schedules to enjoy one of the scenic spots of Kentucky, Cumberland Falls.

Well-known on campus are Gil and Glenda Newton, whose spontaneity and sense of humor seem to disprove the adage that married life is dull!

Coach Lou Cunningham, a graduate of Sharpsburg, Bathe County, Kentucky, comes from a long line of coaches--his father, two brothers, and uncle all favored the profession. He himself greatly enjoys athletics, and has coached in Jackson, Ohio; Augusta, Kentucky; and Eddyville, Kentucky in the past seven years.

The coach played basketball and baseball in high school, and last attended Brewton Parker Junior College in Mt. Vernon, Georgia, on a basketball scholarship. Belmont College of Nashville, Tennessee, then furthered his education, and his M.A. degree was awarded him by Peabody Teacher's College, also of Nashville, Tennessee.

1965 saw Lou Cunningham among the "Top Ten High School Coaches" in the state of Kentucky. College coaching, however, had long been his desire; thus, when the opportunity to come to Campbellsville College was presented to him, he graciously accepted.

Our institution's future looks good, he says, if we can have a new gymnasium to help in recruiting and attracting high-caliber players from this, and surrounding areas. The general concensus seems to be that with a superb coach, as Lou Cunningham is, and adequate facilities with which to work, Campbellsville College could indeed go far in the field of athletics.

Miss Helen Osborne of San Antonio, Texas, is one of our most versatile instructors. She did her undergraduate work at Mary-Hardin-Baylor College at Belton, Texas, taking a major in speech, drama, and physical education. The threefold major carried over to Texas Woman's University at Denton where she took her M.A., majoring in health, physical education, and recreation. Finally, through a teaching fellowship and an All-State Insurance scholarship at Indiana University, she gained her directorate.

She has taught in Texas schools and colleges, at William Carey College in Mississippi, and Pikeville College in Kentucky before coming to Campbellsville College. Being quite active, Miss Osborne was on the staff of the National American Red Cross Aquatic School; she was one of two Americans to attend the International Gymnastic Festival in Finland, and later was a delegate to the UNESCO Congress on Sports and Culture in Helsinki, Finland. She has also helped direct Miss America Pageants, summer operettas, and spring festivals.

Having coached in college tennis, basketball, and volleyball, Miss Osborne would like to see our college develop a REAL interest in these. But first, ". . . adequate facilities."

Mr. Price Mathieson, another newcomer to Campbellsville's Physical Education Department, was born and reared at Luling, Texas. After having distinguished himself at his hometown high school as a member of the all-state football team, Mr. Mathieson later attended Baylor University, of Waco, Texas. Both his A.B. and M.S. degrees were taken at that institution. His honors' list there included Amateur Athletics Union wrestling and diving championships.

Among other things, Mr. Mathieson has taught in various Texas high schools, was named "Coach of the Year," was coach at Baylor University for two years, and was the program director for The Y.M.C.A. for two years. At present, he is working toward his doctorate from Indiana University.

Being an outstanding Christian leader and friend of young people, Mr. Mathieson is a wonderfully apt addition to Campbellsville's faculty. Too, as chairman of our Physical Education Department and director of athletics, he is vitally interested in building a strong Physical Education department, as well as a winning tradition in intercollegiate athletics.

Clarence and Barbara Hackett illustrate the cheerfulness of seniors at registration.

Ann Mallard and John Farris have fun filling out their registration forms. Freshmen look upon this task as despicable drudgery. They will become pleasantly accustomed to it by their senior years.

## SPIRES CRAFTED

### Let A Steeple Guide People To Your Church

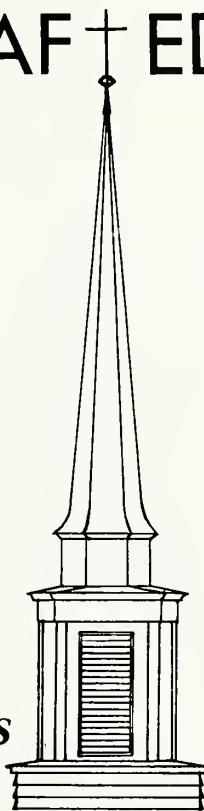

Campbellsville Industries, a division of Campbellsville College, started out nine years ago to provide jobs for students needing financial help to go to college. The venture was so successful that it is now a full-fledged industry with a staff of skilled men, draftsmen and engineers under whom our students have the privilege of working.

As with our bulletin boards, we believe in giving quality at a reasonable price because we believe the church with the small budget needs serving as well as the large, and our constant backlog of orders proves us right.

Our welded structural aluminum steeples, covered with prefinished aluminum of any color, means we can give you the detail in design that would suit your church the best.

We Like To Have  
People Visit Us--

The fact that so many of our friends visit the TAYLOR COUNTY BANK is evidence that we have plenty of time to discuss their problems and attempt to find the solutions. We like to have them come in and they know it. Our customers find us helpful and that is mutual.
